

COURSES FROM BEACON EDUCATOR

Professional Growth

LEADING EDUCATORS INTO TOMORROW

Beacon Educator provides facilitated online courses for busy educators. Courses comply with the National Staff Development Council Standards, Professional Development Protocol Standards, and federal mandates.

Action Research for Classroom Teachers 12 pts.

Learn the steps of the action research cycle and begin preparing for your own action research project.

Action Research Implementation 6 pts.

Conduct the action research project you planned during Action Research for Classroom Teachers.

Building Relationships with Parents 12 pts.

Build relationships with parents in order to enhance students' academic growth.

Conflict Resolution in the Workplace 20 pts.

Learn practical skills for understanding and resolving conflict in today's changing workplace.

Continuous Improvement Model for Teachers 12 pts.

Investigate the research behind CIM and develop strategies for implementing it in your school and classroom.

Continuous Improvement Model for Administrators 12 pts.

Review the research behind CIM and explore the administrator's role in creating and implementing a school-wide CIM plan.

Foundations of Team Teaching (Co-Teaching) 10 pts.

Learn to organize, operate, sustain, and evaluate teaching teams. This course addresses the team-teaching training requirement of Florida's Class Size Reduction Amendment.

Foundations of Team Teaching: Follow-up 2 pts.

Analyze strategies learned in Foundations of Team Teaching. Then, reflect on how the team teaching strategies have been implemented in your professional experiences.

Mentoring Classroom Teachers 12 pts.

Learn successful strategies and models that make mentoring a successful strategy for new teacher induction. Includes content appropriate for reading and subject area coaches.

The Path to Successful Online Facilitation 10 pts.

Explore teaching and learning in an online environment and investigate ways to ensure a successful experience for Beacon participants.
