Beacon Educator has a program of online courses that can be completed from the comfort of your home.

Reading Endorsement

What works in reading?

Check website for New Courses

New program in place by August, 2012

Watch real teachers model successful strategies in elementary, middle, and high school settings. Learn what the research says, try new strategies in your classroom, and get feedback from your course facilitators through this course series. Each interactive online course includes both instructional components and application activities. Participants learn research-based strategies for K-12 teachers in the core areas of reading.
