Professional Learning for All Educators

Beacon Educator has a program of online courses that can be completed from the comfort of your home.

Reading Endorsement

What works in reading?

Learn what the research says, try new strategies in your classroom, and get feedback from your course facilitators through this course series. Each interactive online course includes both instructional components and application activities that can be completed in your classroom. Some courses require student contact.

Check with your district or school prior to registering for any course/module to ensure the district or school recognizes Beacon Educator's courses.
